"A SPECTRUM OF REFLECTIONS"

A group of students in a classroom setting, looking towards the right. In the foreground, a student wearing a striped shirt has their name tag "LANCE" visible. A handwritten note is overlaid on the image:

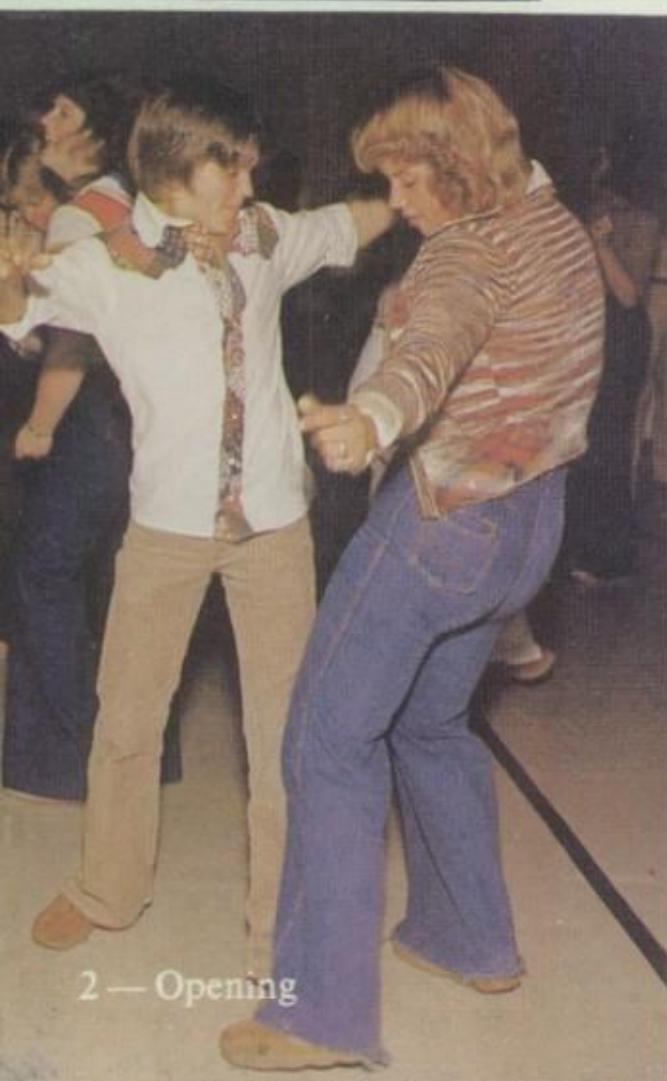

I'm Eric, I really wish
I knew you better,
even though you sat
behind me in English.
You're a very quiet
person, but nice.
Stay nice.
Always

Tim Houlihan and Lecia Diaz were chosen this year to represent the Senior Class as Senior Best. Both have been widely involved in government, school service, class leadership and athletics. With these qualities they have earned the title Senior Best 1978.

George Adam and Maureen Raphael, in their past years at St. Joseph, have shown dedication and achievement in everything they have done. With an ambition and outlook such as theirs, the future holds many opportunities and challenges in which George and Maureen will surely profit.

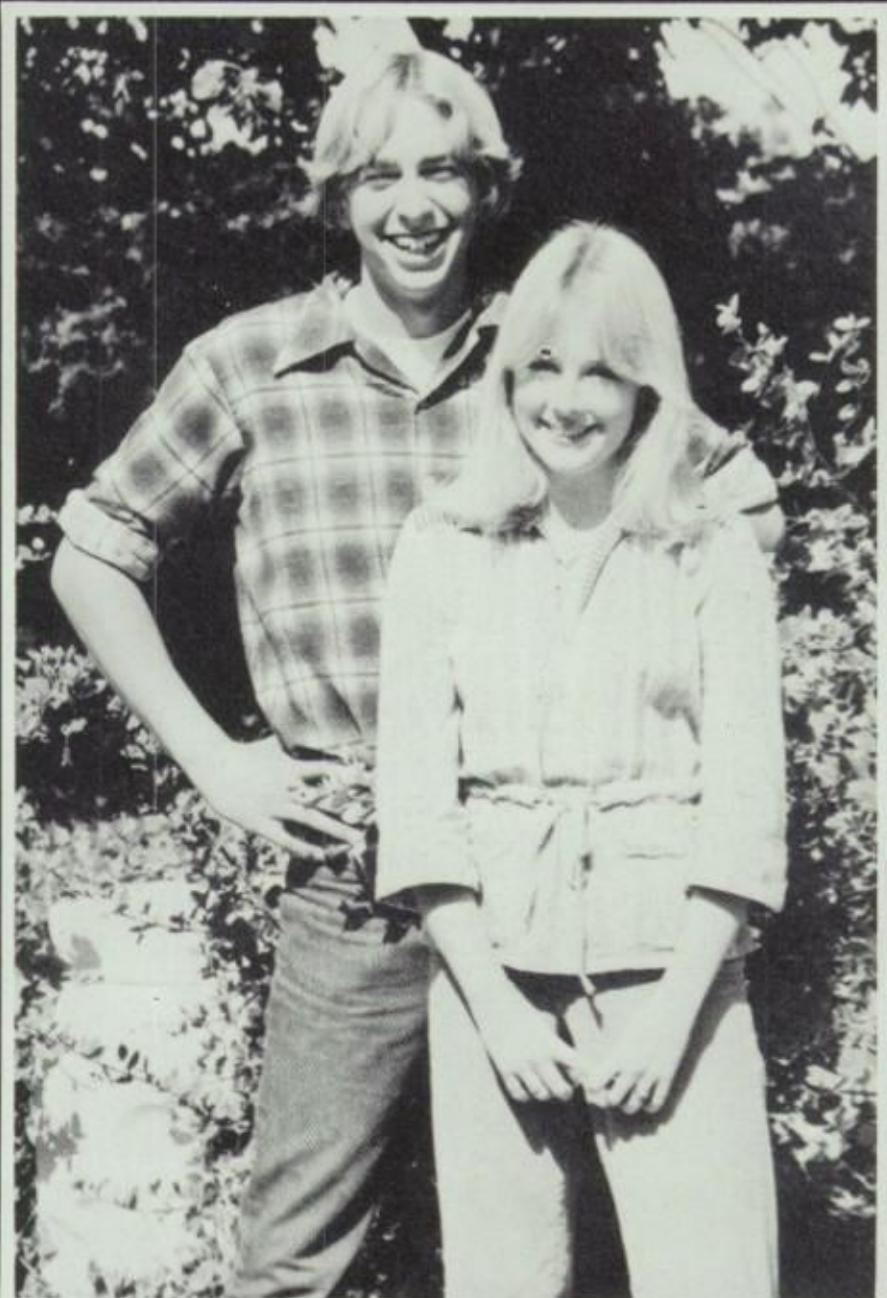

With their charm and personality, Noreen Ibsen and Bob Shiffrar have attracted everyone at St. Joseph. You can always count on Noreen for a smile and Bob for a laugh and you can always count on both of them for their sincere friendship.

Who are the flashy dressers? Well everyone knows that Shari Doss and Mike Carty are. Shari has excellent taste in fashion coordination and Mike has the class of elegance. Both are fashion conscious and the most tastefully dressed members of the Senior Class.

If you ever see a crowd around Kelly Butler and Eddie Hubbard, you'll know why. They are the Most Fun To Be With, and the funniest as well. Kelly and Eddie are full of witty remarks for every occasion.

They've got Spirit, yeah they do! Janie Will and Dana Girard have shown their spirit at games and at rallies. Dana has showed his spirit by shaving his head. Janie has shown hers by keeping the entire class peped up during rallies. Both have given St. Joseph the spirit and unity it deserves.

Surprised? Don't be. It's only Cheryl Newark and Raul Segura doing what they're always doing. At every hour you can catch them in their favorite subject, flirting.

Kathy Silva and Randy Merlo is their name and sports is their game. Selected as Most Athletic by the Senior Class, both are involved in many sports and have contributed a great deal to their respective teams. They represent our school with pride and they'll always be remembered fondly by their class at St. Joseph.

Reflect back now, to a time when you were young, for we have all grown up. Can you remember the days when you were happy and free, with time on your side? The days when we were all the most likely to succeed, the days when we all had the best personalities, to our friends anyway? Can you remember? If you can't, look to the present and you'll see that you're still all of these things, and more. You see, nothing has changed, we are, and will forever be, the Class of 1978, and we will always have the best personalities, and the incurable desire to succeed.

So now, look to the future; you still have it all to do, surely you know. Don't let one single chance pass you by, and from time to time, when you feel depressed with your existence, remember the happy times. Remember the way that each of us was different in personality and the way we wanted to succeed, but please, most of all, remember the class of '78 for it was, and is, truly a great one.

WISDOM

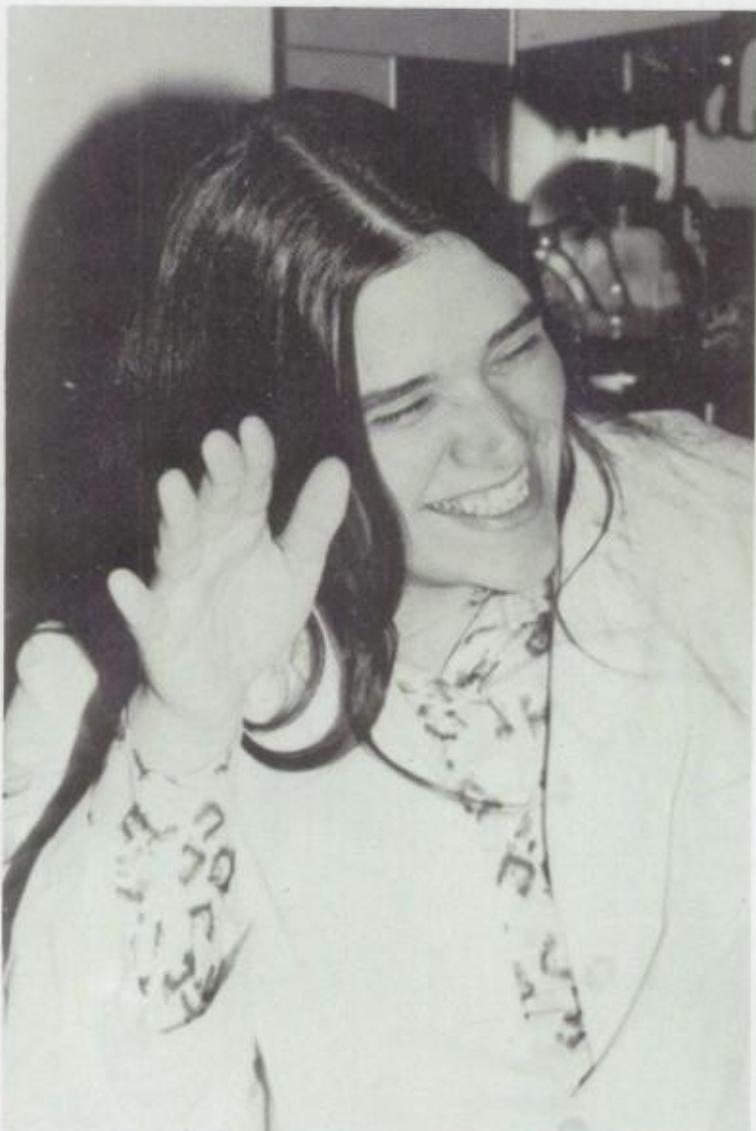

Mrs. Everett — will she eat the whole thing before Charlie calls?

Mr. Jeff "Bosley" Hearn on the hotline to Charlie.

Charlie's Angels

Miss Cala has a special chemistry and a winning formula for over-powering the villain.

Mrs. Oliver plants the seeds of thought in her botany students. As coach of the girls' volleyball and gymnastics teams, she's more of a Bionic woman than an angel.

Which came first, the chicken . . .?

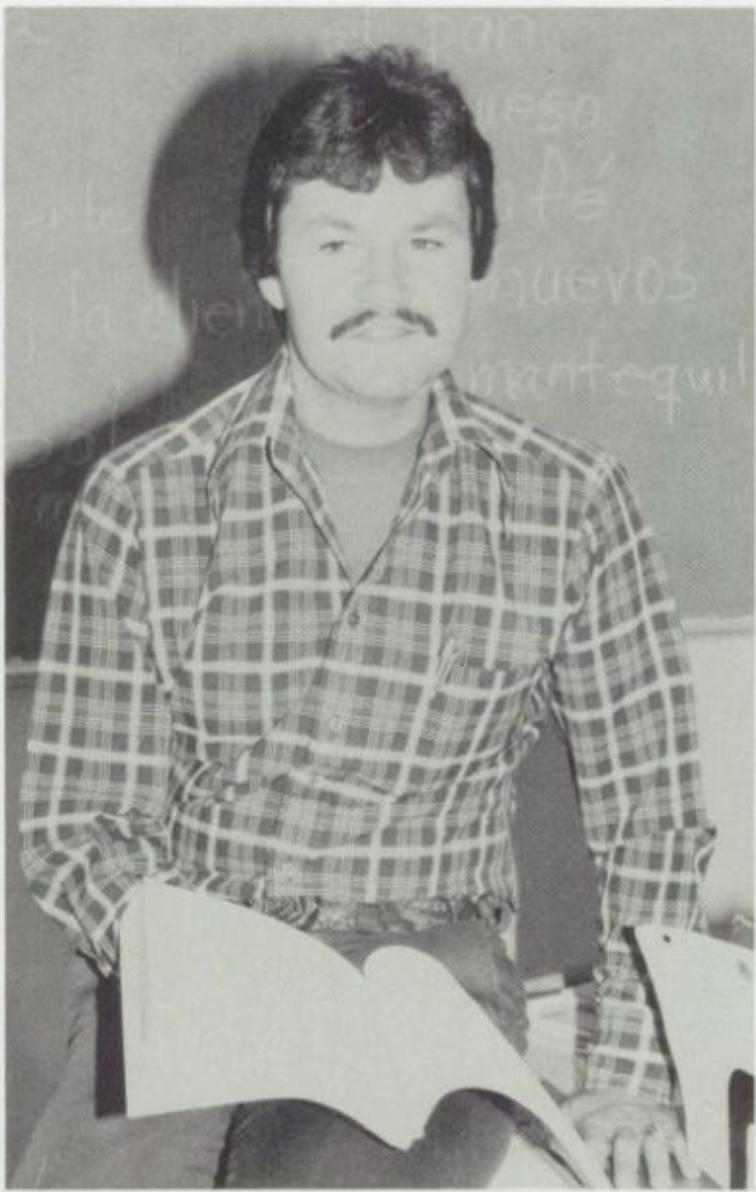

Assignment:
Miss Santos carries on a Quixotic quest to find
out whether Francisco Franco is really still
holding his breath?

"Farrah?"

Mrs. Batiste smiles at excuse number 57894: She's
seen it all.

Mr. Miller works undercover as a Spanish teacher.

Fr. Goosens, the "Artfull Dodger."

Bro. Jim "Aggie" Anguiano holds the secret plans.

VILLAINS

Fr. Garcia is famous for those shifty eyes.

Jack "Sember" Lewis prepares a ransom note.

The evil Mr. Sly is the brains behind this operation.

Mr. Newton: What an evil laugh!

Mr. O'Neil: "Curses! Foiled again!"

Mr. Pierce and Mr. Cronshaw discuss the plot to capture the Angels.

Mrs. Fields, an angel of mercy and guardian of the counseling office.

Mr. "Nick" McNicholas counsels with heaven sent inspiration.

Mr. Collins and Miss Ruggles don't float on gossamer wings; they've found a better way to fly.

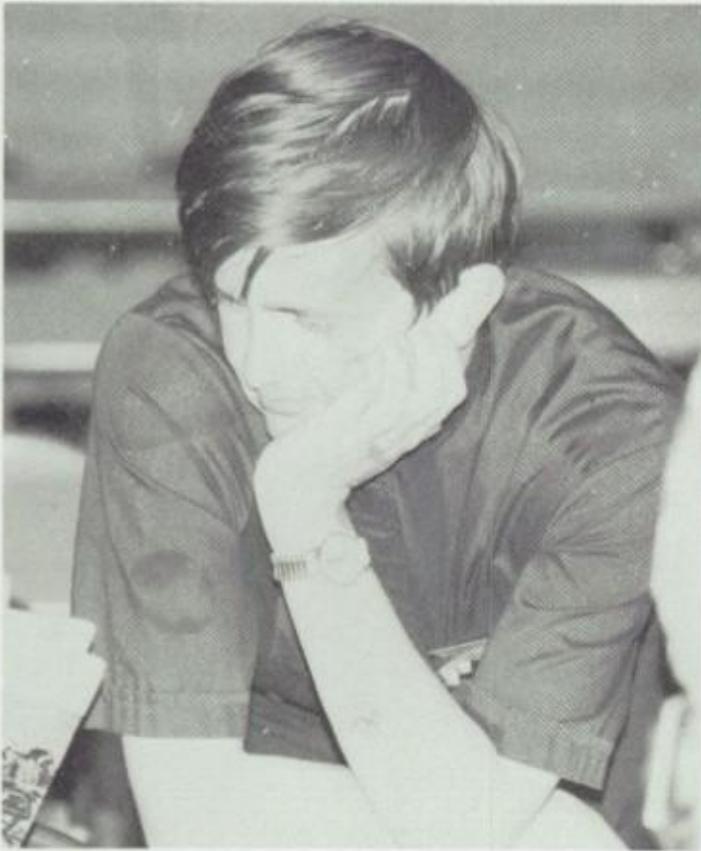

Could this be the same Fr. Newman who "roughed it" with the seniors at Zace Lake?

Miss Stephanelli, with heavenly wisdom, is hard at work on a complex math problem.

Fr. Alfred is caught on the "wrong" side of the camera.

Mr. Donati brings "heavenly music" to our ears.

Don't let Sr. Louis' angelic face fool you!

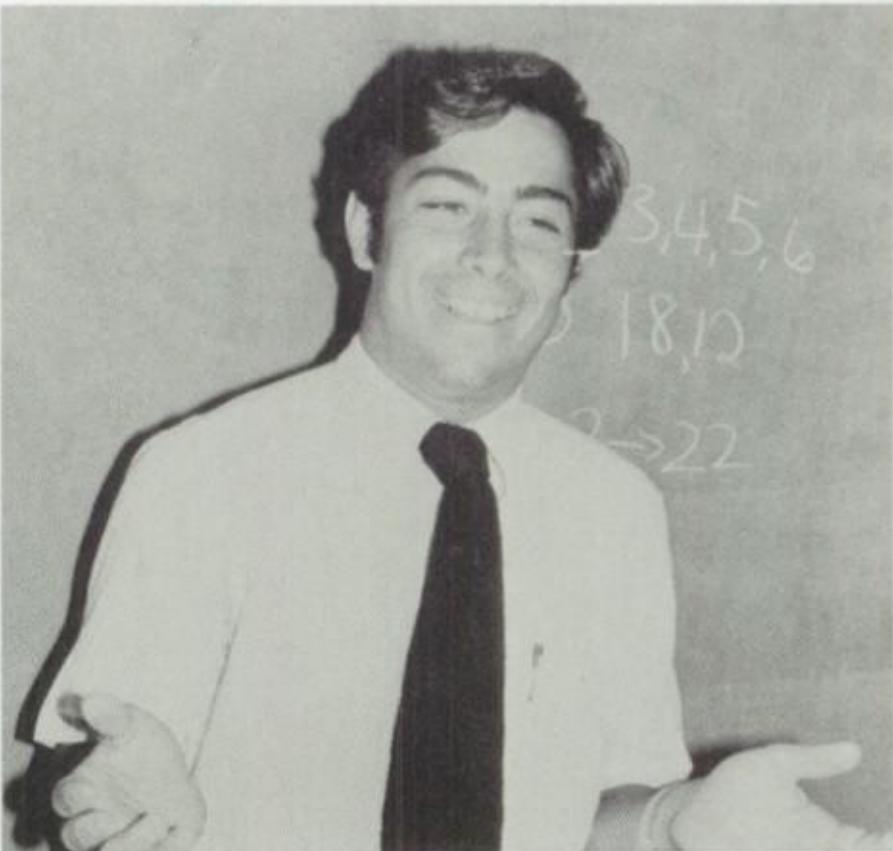

Secretary to the Cherubim.

Mrs. Johantgen balances the books, a worldly profession.

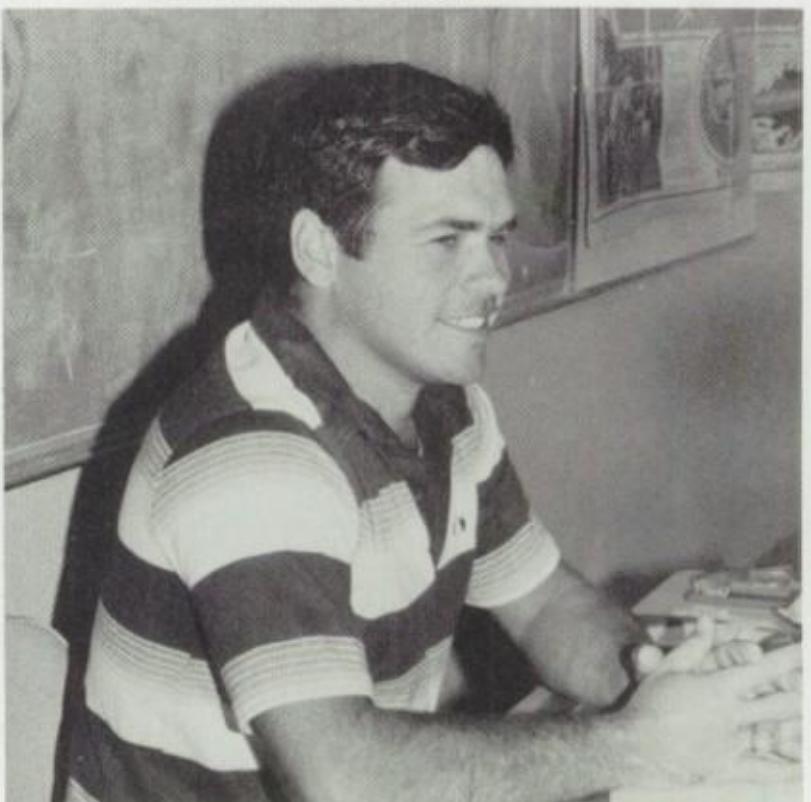

Mrs. Bello is a very domestic angel.

On the road to perfection, Bro. Jim Spallino doesn't yet have all the answers . . .

Mrs. Houlihan is the spirit that haunts the library.

"Angel face" Brunell

Are the St. Joseph faculty and administration really "Charlie's Angels?" If so, they certainly had their devilish moments. Working with the Angels on various assignments, the students saw many facets of their teachers' personalities as the year progressed. Those who went on the Junior and Senior retreats saw that the faculty members in attendance were just normal people. During spirit week, the faculty joined in the competition and showed that they were as fun-loving as their students. Out on the playing field, athletes became acquainted with a different side of their coaches' characters. This year we were, also, introduced to twelve new teachers, each with something special to offer his pupils.

Teachers often played the role of undercover detectives, carrying out orders from the high command, Hofschulte-Townsend Investigations. Some students considered the Angels to be spying villains, while others were very appreciative of the blessings bestowed upon them by the heavenly multitude. All in all, Charlie's Angels put on a good show this season and received a number one rating.

Miss Sartain, Mrs. Mentink, Mrs. Houlihan, Mrs. Bello, and Mrs. Batiste.

SENIOR CLASS BAR-B- QUE

Who made the salad?

It takes a six-pack of senior boys to open one bottle of Dr. Pepper — with a pair of tongs?

Each class was assigned a quarter for fund-raising. The seniors began the year very short on funds; they needed \$3000 more and had only a few weeks to raise it. Their main event was a chicken bar-b-que. The class pulled together and worked hard. At their final count, they found that they had reached their goal. With the money, the seniors purchased a gift of luncheon tables for the school and paid for their graduation activities.

Stephanie Tosti can't wait to sink her teeth into some of that mouth watering chicken.

Mike, Marco, and John try to convince a smiling Cathy that men really do make the best chefs.

"Not now!" says Mike Madden "I have a headache."

Class moderator, Miss Santos, and home-room teacher, Mrs. Troxler, with the help of senior parents, provide adult supervision, but it wasn't the kids who needed nursing.

If there's food around you can always count on Laura Daniels to be close by.

"Wait a minute! Who's got the chicken?" Letitia asks?

John Lopez is full of hot air!

SPIRIT WEEK is one of the oldest and best of St. Joe traditions. We started off the week with a faculty/GAA football game. On Tuesday ordinary sophomores turned into gangsters and gun mauls instilling panic into the hearts of more genteel citizens. In their first attempt, the frosh made a fine showing, bringing us all back to the 1950's.

Mary Bowman swooms over the junior "Beach Boys."

Gene May of the Senior Liberation Army holds freshman Mike Houlihan for ransom . . . He's still there!!!

Cathy Armstrong sits back and enjoys the rally.

Allan MacNeil and Mary Johnson play a slippery game of catch.

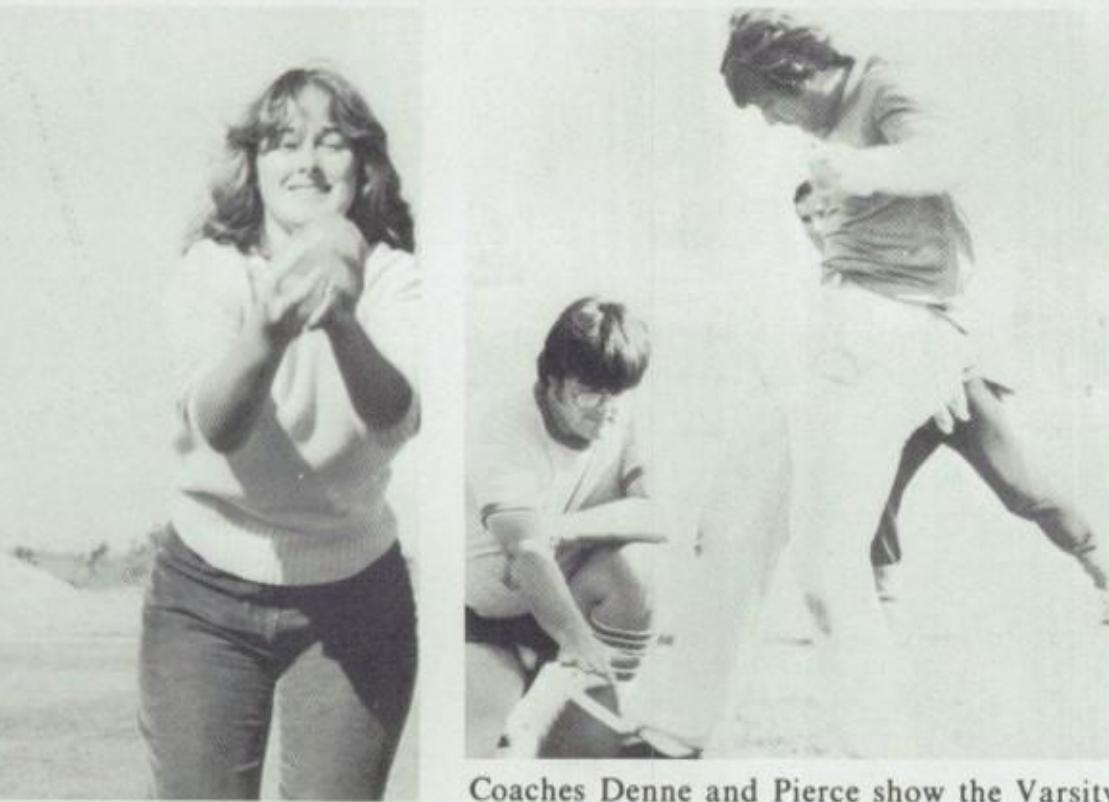

The St. Joe faculty plots their strategy against the GAA team.

Mary Murphy catches a few rays and a unique pattern of freckles through her sun hat.

Colleen Dana and Class President Andy Sanchez cheer on their mob of sophomore gangsters.

Coaches Denne and Pierce show the Varsity football team how it's done.

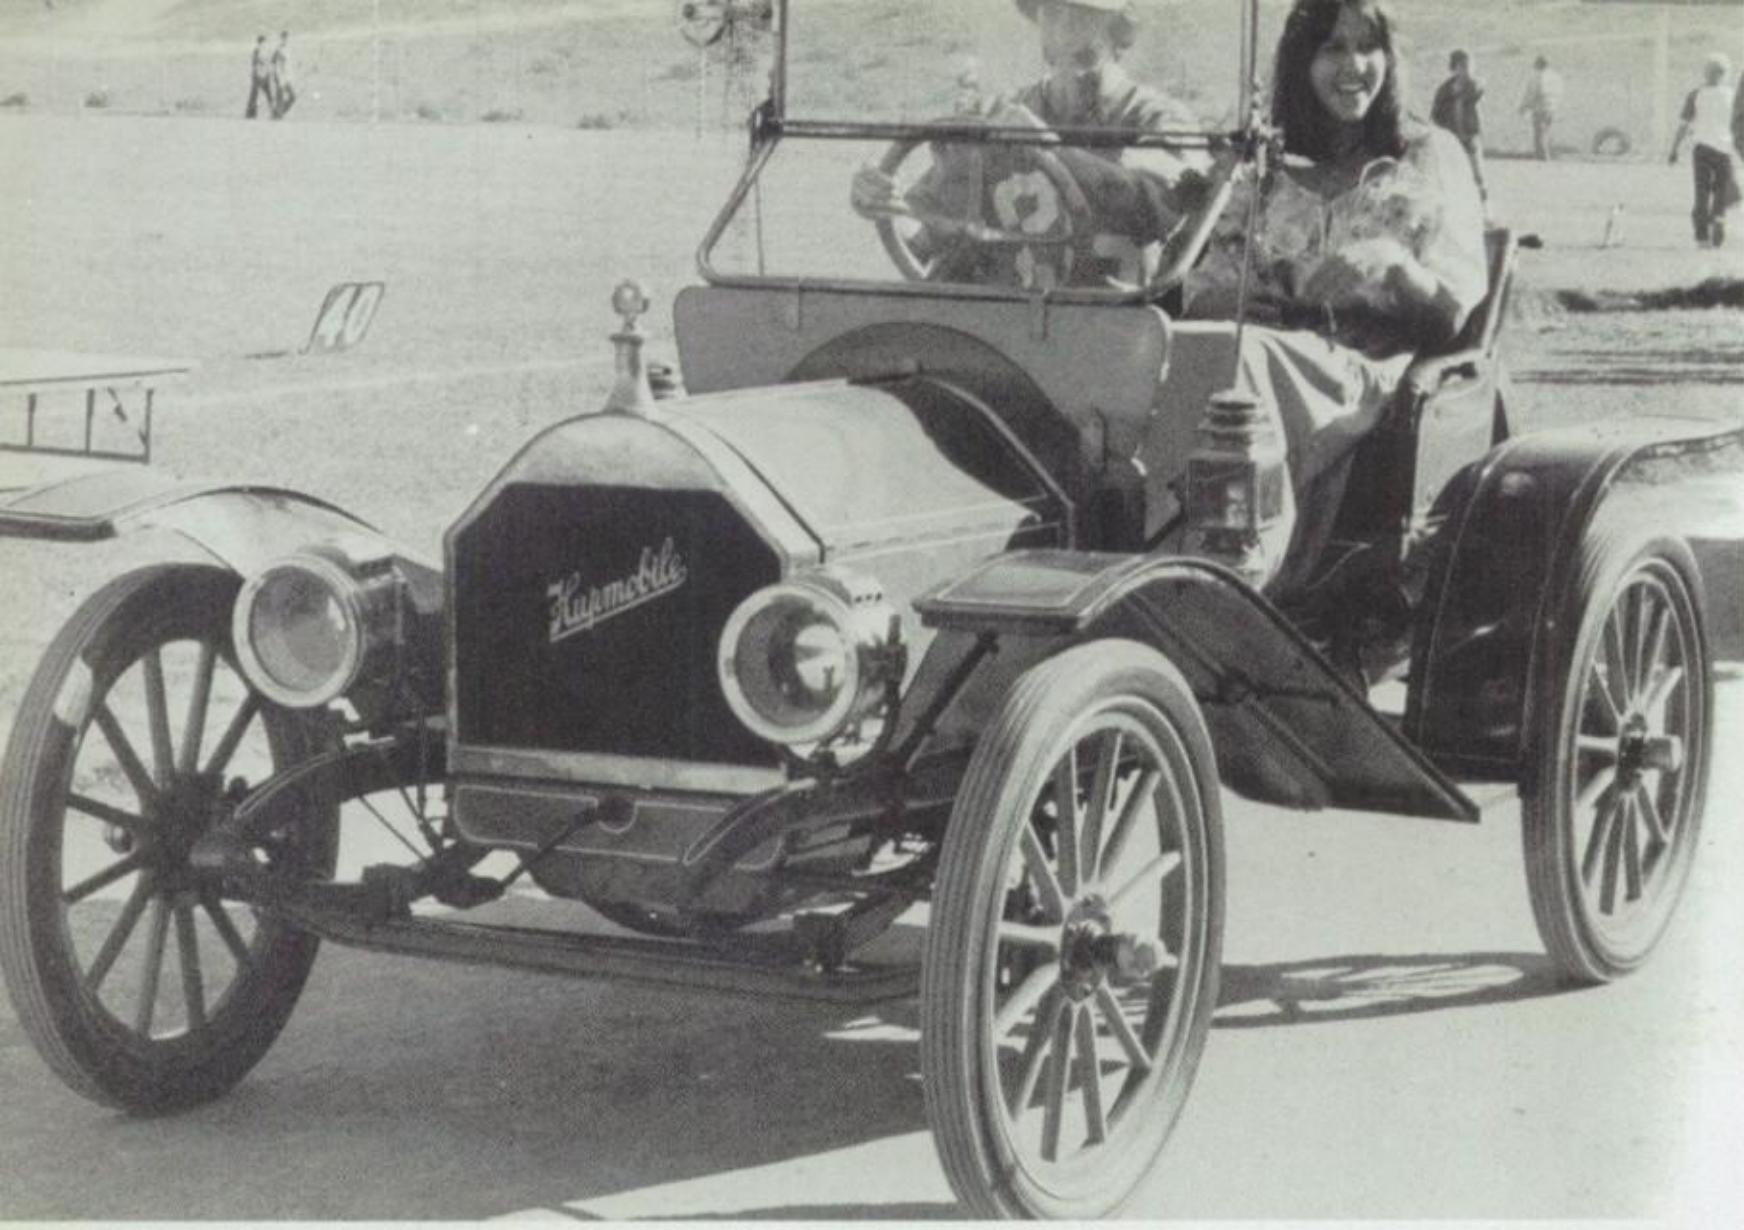

The junior class couldn't leave school so they brought the beach with them. "Beach Boys" Erik Schosser, George Marquez, Steve MacNeil, Chuck Buckley, and Steve Winsell added to the seaside atmosphere. Then it was Friday, and the school was invaded by an army of seniors. A band of guerillas went so far as to kidnap Mr. Lewis. Spirit Week was a huge success due largely to the efforts of hard-working class officers and moderators.

Gangsters Lori Eisenbath, Judy Smith and Steve Che noweth look harmless enough . . . But beware: their squirt guns are deadly.

Tomorrow is D-day for the football teams, but they look ready to take on the world!

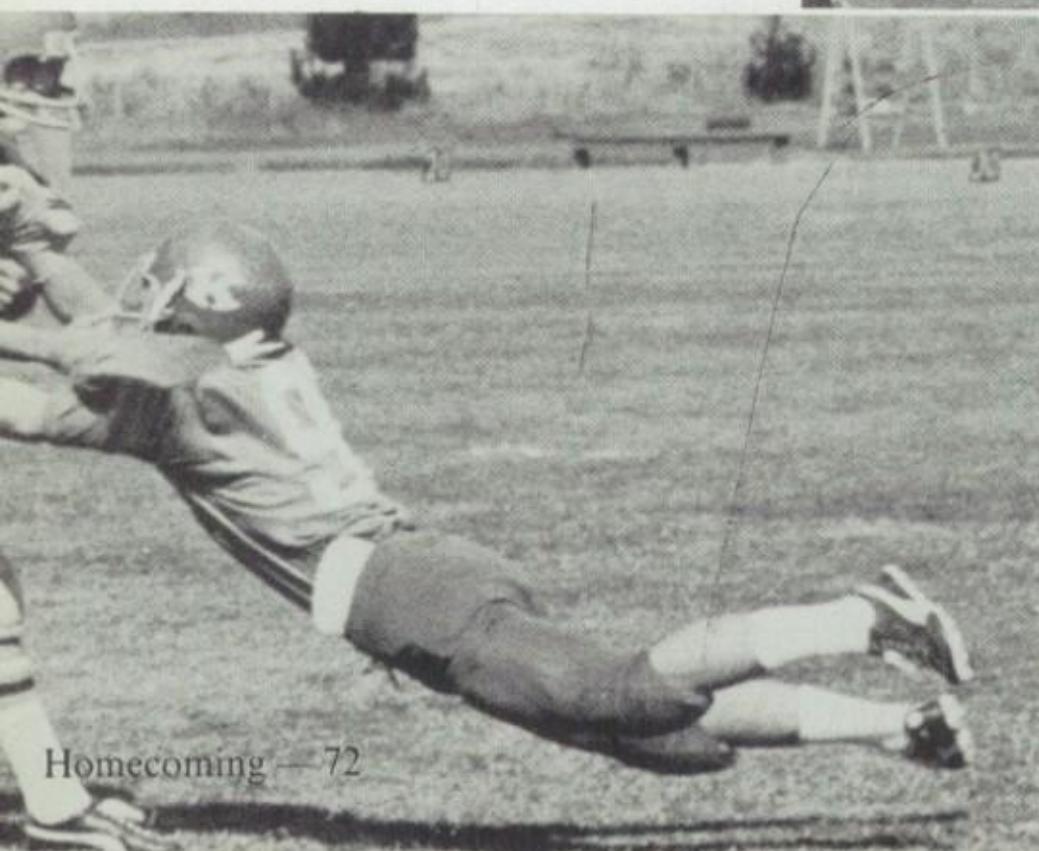

The queen candidates were driven around the football field in antique cars. Here Mary Cronan is chauffeured by Neil Cuthbert.

Our radiant queen, Mary Cronan, reigned over the Homecoming festivities with her beautiful court and their escorts (left to right) Cindi Naab and Mark Jackson, Liz Tilley and Joe Guizar, Noreen Ibsen and Jeff King, and Shari Doss and Mike Carty.

The five candidates were chosen by the Varsity football team, and the Queen was chosen among them by a popular vote of the Student Body.

Homecoming '78 was more than just a football game, more than just a dance. It was a time for us all to "come home" — to realize that we are all one big family, not just frosh, sophomores, juniors, and seniors. Victorius together, we would also accept defeat.

As the week progressed, each individual made his contribution, and ordinary Knights soon discovered that we are all very special people, all Homecoming Queens and Kings.

Varsity Cheerleaders

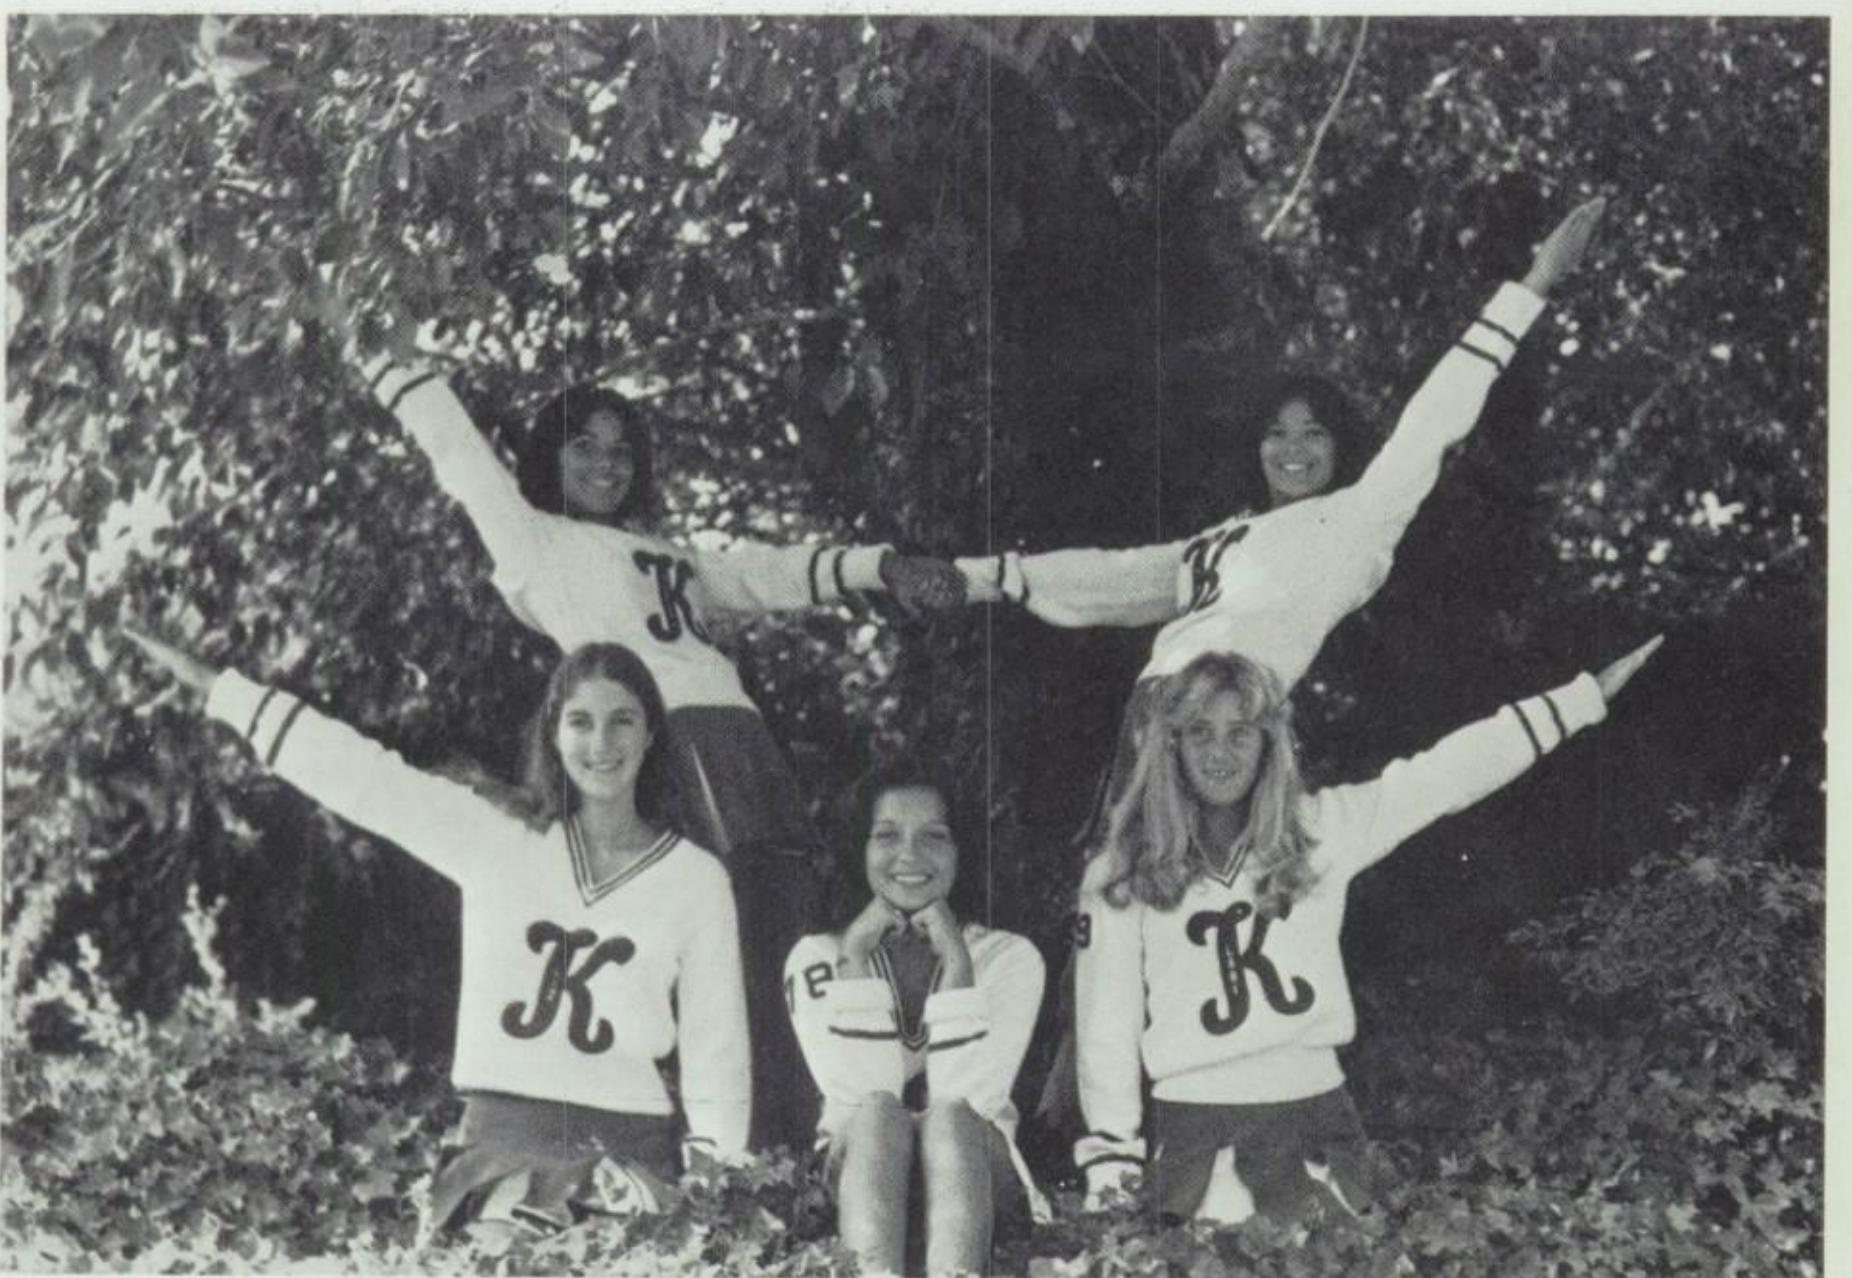

Leading the school in spirit and enthusiasm were the 1977-78 cheerleaders and sngleleaders. This great effort paid off as we've had a lot more participation at rallies and at games.

Organization played a key part in such a successful year. Shari Doss and Lecia Diaz, head cheerleader and sngleader, were on top of such things as practices, rallies, and various spirit activities. Making sure everything was done was important, and their efforts, along with that of the squad, helped to make St. Joseph's spirit remain sky high.

Christmas Dance

The Christmas Dance, which took place on December 17, 1977, was held in the gym. It is an event that everyone eagerly anticipates. The Christmas Dance is different, because it is a girl-ask-guy dance. This only happens once a year, so it is interesting for guys to see what it's like to wait for girls to ask them, and for the girl to get the courage to ask someone. It is a very delightful and special occasion.

Basketball Homecoming 1978

1977 Homecoming Queen Joretta Jolly ends her reign.

Joretta crowned the new Queen and presented her with a bouquet of red roses.

The Queen and princesses were presented at half-time. Each class nominated four girls for the honor. The names were submitted to the basketball teams who narrowed the choice to two per class. Then the frosh, sophomores, juniors voted for their class princesses. The Varsity Basketball Team picked one of two seniors for their Queen. The other was named Senior Princess. The princesses were announced at school but the senior candidates were kept in suspense until the night of the game.

The princesses are frosh Karen Weissinger with her escort, Tom Quitugua, junior Mary Murphy with her escort, Darrell Cuthbert, sophomore Theresa Mussel with her escort, Ken Kleinsmith, and senior Janie Will with her escort, Raul Segura.

The week before the game was reserved for Basketball Appreciation. Students showed their spirit on Earth Day, Faculty Appreciation Day, Senior Citizens Day, and Spirit Day, which ended with a pep rally.

All three teams were victorious over Santa Ynez. The game was followed by our first Friday night dance with music by Nite Life.

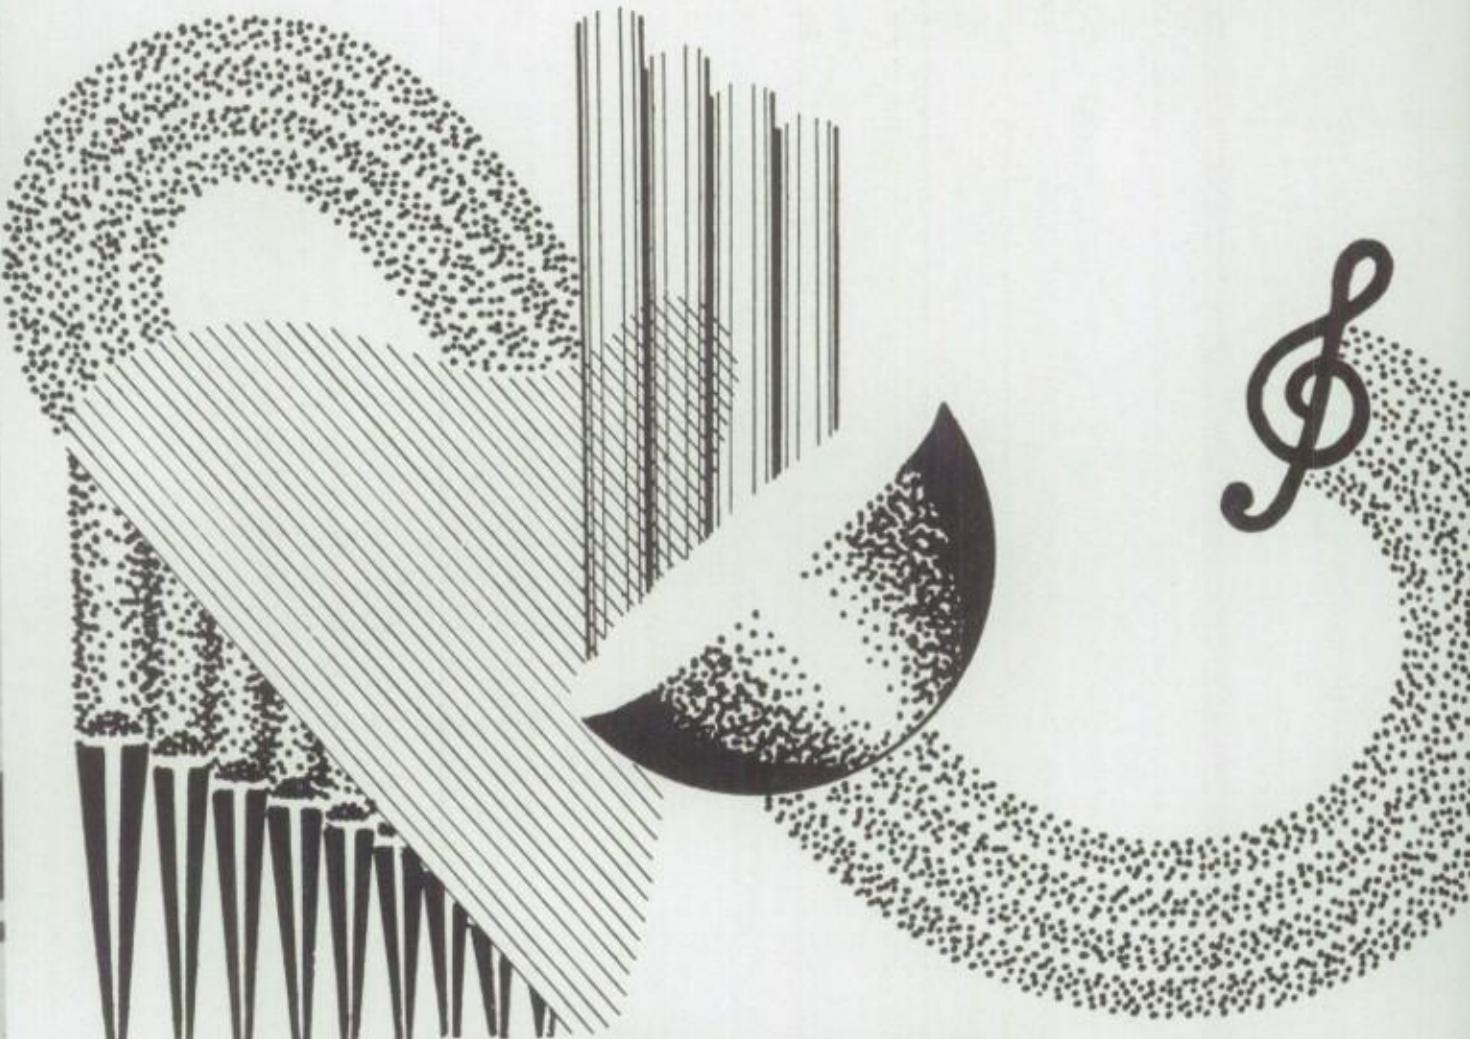

A new activity at St. Joseph, Basketball Appreciation Week, will continue to be an annual event. Sister Catherine and her committee helped to make the week a big success.

THE BAND IS NOW AVAILABLE!

This is the first year St. Joseph has ever had a band. This dream was made possible by a new teacher, former student, David Donati. Through his hard work, the students have given several performances and have accompanied the Madrigal Singers. Their presence during home football games has added to the school's spirit and the games excitement. The band has exposed a lot of hidden talent and hopefully, during the years to come, student interest will allow the band to grow.

Mr. Cronshaw, Mike and Martin keep on truckin' .

"Well, I think he can make it," says Mike.

This year's Bike Club has been active in many things. One such activity that many members participated in, was riding in the annual Muscular Dystrophy Bike-a-thon. Money pledged to these people went to benefit many others in need.

The Bike Club has also gone on other rides. In this way the club was able to see a lot of different places as well as gain knowledge from their experiences.

Many of the members are excellent musicians and singers, but exceptional talent is not required. Members need only a desire to use their voices to lead the student body in a special kind of worship.

Throughout the years at St. Joe, Pep Club has always managed to put a little extra sparkle into the schools athletic program. Among their own various fund raising events they find time to make posters, sell balloons and many have also helped at the concession stand. Pep Club is made up of those people who are involved in keeping school spirit at its peak all year round.

Next year the Varsity team will lose some very valuable players, but with the rest of the girl's experience and sense of competition, our future team will prove to be winners.

The girls on the Junior Varsity Volleyball team had a really good year. And why not. Their record stood at 9-10 and they placed a nice 3rd in their league. The whole team worked as a unit and displayed a lot of team spirit. With this in mind, anyone can see how organization plays an important part in the team. Certainly, our J.V. team will be one to watch in the coming years.

The St. Joseph Cross Country team started off this season as the defending League Champions. They had a new coach, Mr. Bob Sly, and had four returning lettermen to the varsity squad. The number one, three and four men had graduated, meaning that this team would really have to work and develop what they had. They started off on a good note, and went through the season, losing a few runners due to colds or injuries, but kept going and finished proud of what they had done. They were 1-2 in league meets and had a good chance of going to C.I.F. if they beat Morro Bay by enough at league finals, and they did. Coach Sly commented that he was "Proud of the team and proud of what they had done this season." The Cross-Country teams final record for duel meets was 2 wins and 4 losses.

Varsity Basketball

This year's varsity basketball team got off to a good start with a 7 win and 6 loss record for pre-league. They had a few injuries at the beginning of the season; Dana and Chester were out at different times, making it hard for the team to get it all together. After starting off with three losses, they bounced back, and won five straight to be tied with Atascadero for second place. Because of league rules, a coin was tossed and St. Joseph got third place in league. They went to C.I.F. with the first game against Carpenteria. They had a great team this year, but had some misfortunes. Their final record before C.I.F. was 12 wins and 9 losses.

This year, St. Joseph had three of the best basketball teams we've seen. Our Frosh team did very well in pre-league with a 10 win-6 loss record and had an outstanding record of a 7 win-1 loss record in league. The Junior Varsity team had good pre-league play with a 6 win-10 loss record, and like the Frosh, got first place in the league, with a 6 win-2 loss record. Our Varsity team, in view of injuries, got off to a great start with a 7 win-6 loss record for pre-league play. They went into the league and came up with a 5 win-3 loss record for league. Even though they got 3rd place by the flip of a coin, they went to C.I.F. and battled hard only to receive defeat in the first round. We're looking forward to some even greater teams in the near future.

This year's Junior Varsity Basketball team got off to a good start in pre-season. Coach Warffuel had a lot of work to do, and he also had a lot of good material to work with. When league came along they were behind in wins, but after four games into league, they had almost evened it out. By the time the last league game rolled around, they needed one more win for an even overall win-loss record. Their season record was 12 wins-12 losses. They were first place in league play with a 6 win-2 loss record. We can look forward to a good Varsity team next year.

Frosh Basketball

The Frosh started out the year with a 10 win and 6 loss record for pre-league play. They went into league and lost only one game. Coach Clark had his work cut out for him, as does any coach with new players. He worked them into a first place team with a lot of spirit and togetherness. This group of players has a lot to look forward to in the future. They were first place in league play with a 7 win and 1 loss record. Their overall record this season was 17 wins and 7 losses.

Girls' Varsity Basketball

The girls' Varsity Basketball team got off to a slow start this year. Most of the team are veterans. The team captains are Kathy Silva and Noreen Ibsen, the coach is Miss Sartain. They haven't started regular league play, but will start soon. The Girls' Varsity team has a shot at C.I.F. if they get everything together and really work. Good luck to the girls' team.

Girls' Junior — Varsity Basketball

The Girls' Junior Varsity Basketball team has a very promising future. Their record as of now is 3 wins and 4 losses. They have a good chance at getting first place in league, if they get a winning streak going. They have a lot of talent to work with and they have a good coach. Good luck to the Girls' Junior-Varsity Basketball or a good and successful league season.

The team had two wins during the season but unfortunately the team played was not a member of the same league. Led by George Adam's school record-breaking throw of $49'7\frac{3}{4}"$ in the shot put, the team showed good marks in their first meet. The varsity will not only be shooting for a league championship, which is very likely, but will be shooting to break as many school and league records as possible. Some of this year's outstanding returning lettermen were George Adam, Mark Jackson, Erik Schlosser, Tim Markey, Martin Coady, and Jens Wagner. James Acosta heading for 2nd base.

I hope I get a hit this time.

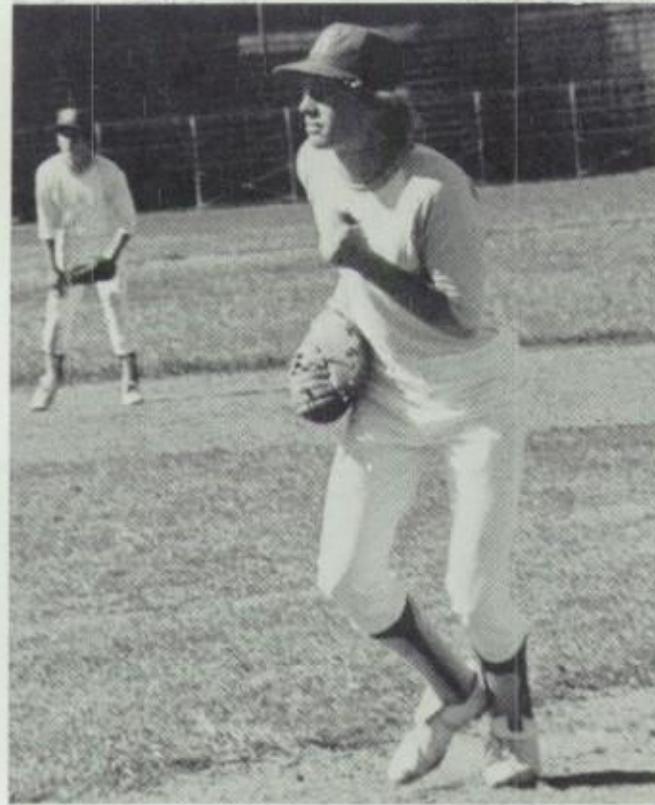

I wonder if I should slide?

You're out, George!

Randy Merlo gets set for the next batter.

Kurt Zoellner heads for the dugout.

Should I hit to the left field or the right field?

Dana is ready to hit a home-run.

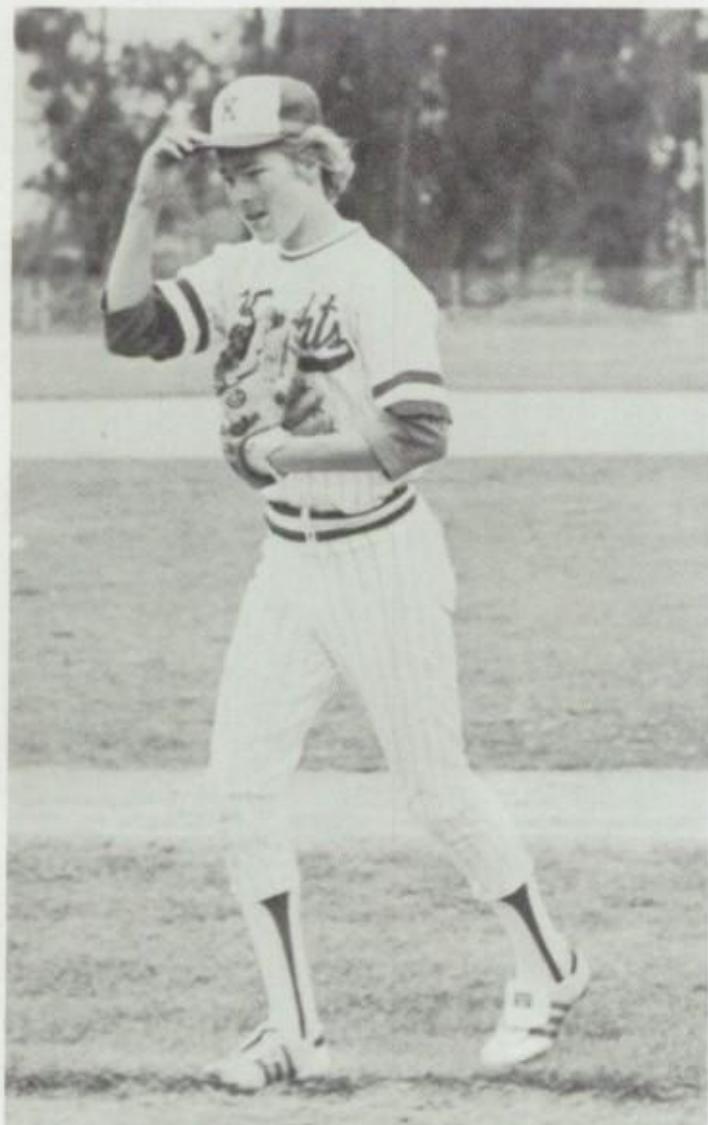

Watching with confidence . . .

The scenes on these two pages display the playing ability of the Knights Varsity Baseball Team. Under the watchful eye of Coach Hearn, they have shown a winning combination of team work and strong concentration.

I wonder if Bench started this way?

Getting set for a new inning.

"It's just a game," he tells me.

Let me guess who's going to win? — Sandy Acosta.

I knew I should have bunted.

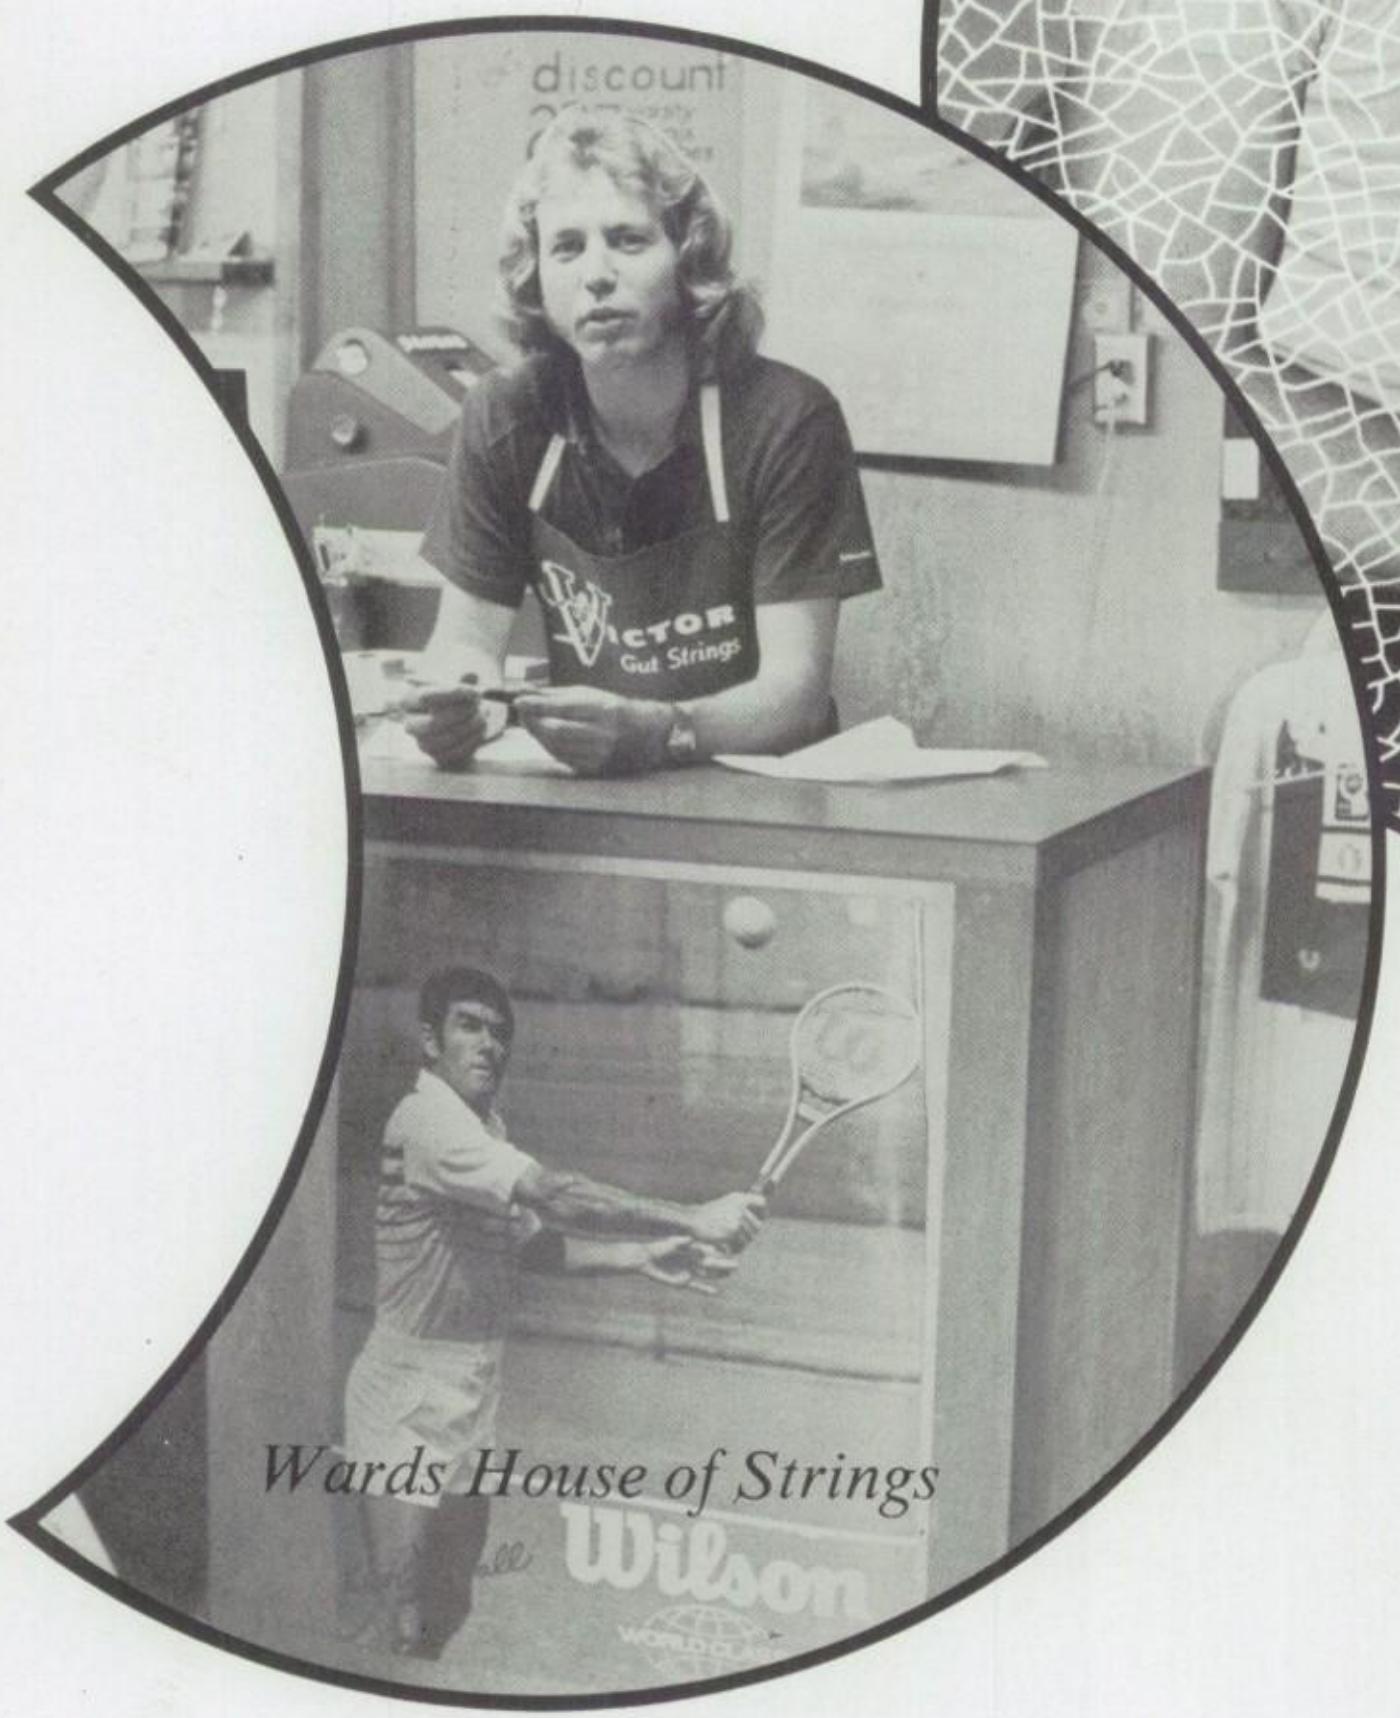

Sportsmanship and respect are two words that can describe the 1978 St. Joseph's Frosh Baseball team. Under the coaching of Art Haggett, the Frosh team has displayed much promise for the upcoming season. Assisting Mr. Haggett is Mr. Dick Newton, coach of the Knights J.V. team.

This year's Yearbook staff did a good job on the book. We had eight members, but only time
staff-members. It was very hard to get things done on time; it took a lot of after-school work
personally thank all staff members for giving up their personal time to do lay-outs and sell ads.

I would also like to give special thanks to my assistant editor, Ralph Hartley, and to my parents
transport me, amongst other things; and a special thanks to Mr. Viga Hall, Jr., Taylor Pub. Com.
very patient with us. Thanks is due to the Yearbook Advisor, Mrs. Troxler, and Photo-Advisor, F
two top salesmen were Joe Hernandez and Jens Wagner, (Pictures on pp. 178-179).

The 1978 LANCE Staff hopes that the reflections from this year will become very special to each and
of you.
